

Denali Borough, Alaska
Resolution No. 05-13

A resolution determining the total amount of funding to be made available from Denali Borough sources for the Denali Summit Conference.

WHEREAS, the Borough Government supports the Denali Summit's goal of bringing residents of all our communities together to develop a common vision of what our future will look like; and

WHEREAS; the Denali Summit will seek to elicit citizen ideas concerning: community services; trails, roads and access; the local economy; growth and development; solid waste and recycling, and many other issues of concern to residents of the borough not listed here, which can serve as guidance to Borough officials in future decision making; and

WHEREAS, the Denali Borough is committed to a long term planning process for its lands; and

WHEREAS, one of the goals of the Denali Summit will be to provide input to the Denali Borough Planning process based on this grassroots brainstorming session; and

WHEREAS; the Denali Borough Assembly firmly supports these efforts; and

WHEREAS; numerous local businesses have affirmed their support for this local conference by pledging either monetary support or material donations.

NOW THEREFORE BE IT RESOLVED: that the total amount of funding the Denali Borough Assembly intends to commit to the Steering Committee, up to a maximum of \$6,800 divided evenly from the Assembly Contingency Fund and the Mayor's Contingency Fund, to assist with the Denali Summit.

PASSED and APPROVED by the DENALI BOROUGH ASSEMBLY 14th day of September, 2005
