

DENALI BOROUGH ALASKA
RESOLUTION NO. 09-21

A RESOLUTION OF THE DENALI BOROUGH ASSEMBLY SUPPORTING THE REQUEST FOR STATE FUNDING FOR GOLDEN VALLEY ELECTRIC ASSOCIATION, THE DENALI BOROUGH SCHOOL DISTRICT, AND THE CITY OF ANDERSON THROUGH THE ALASKA ENERGY AUTHORITY (AEA) RENEWABLE ENERGY FUND

WHEREAS, the Denali Borough Assembly supports diversification of energy sources through the use of alternative energy to reduce electric costs to residents, businesses, and organizations; and

WHEREAS, the Denali Borough Assembly supports research of solar heating systems at the Cold Climate Research Center in Fairbanks, including solar heating systems in select locations; and

WHEREAS, the Denali Borough Assembly is aware and recognizes that Golden Valley Electric Association received funding through the Denali Commission and AEA and the Renewable Energy Fund to conduct a feasibility study and to construct a solar water heating system at the Denali Education Center and successfully completed both of those projects; and

WHEREAS, by supporting further solar water heating systems, and integrating those systems with storage capacity and potential space heating capabilities, the Denali Borough may be able to apply the lessons and knowledge of such projects to the school curriculum and help reduce cost to the school district and the City of Anderson and demonstrate the usefulness of such systems.

NOW, THEREFORE BE IT RESOLVED, that the Denali Borough Assembly hereby endorses and supports the request for funding through the State of Alaska's Renewable Energy Fund for purposes of constructing a solar water heating and storage system for the Denali Borough School District and the City of Anderson working in conjunction with Golden Valley Electric Association.

PASSED and APPROVED by the DENALI BOROUGH ASSEMBLY this 11th day of NOVEMBER, 2009
