6 **WORK SESSION**

7 **REVIEW ROAD CONSTRUCTION STANDARDS**

8 Presiding Officer Kesslyn TENCH called the work session to order at 6:05 PM.
9

10 The Planning Commission reviewed draft language to be included in the Denali
11 Borough Code as 9.11 titled Road Construction Standards and discussed the
12 following:

- 13 • The purpose of the road construction standards.
- 14 • The situational applicability of the road construction standards.
- 15 • If the road construction standards would also apply to any reconstruction
16 efforts.
- 17 • If easements and trail construction should be included in this chapter of Code.
- 18 • How to balance the need for adequate design and construction of roads
19 without creating unreasonable standards that could deter development.
