

**Minutes of the Denali Borough
LEPC
Denali Borough Office Healy
June 23, 2010**

CALLED TO ORDER The committee meeting was called to order at 7:00pm

ROLL CALL Members present: Steve Love Chairperson, Dave Talerico, Pete Armington, Marge Nord, Sean Fielding, Rusty Lasell

APPROVAL OF AGENDA Fielding MOVED to approve the agenda. Armington Seconded. Vote was unanimous.

REPORTS A report was given by the LEPC Coordinator regarding the Denali Borough Table Top Exercise that was held on the 24th of April. New contacts were made with the AK Railroad, and GVEA. A lot of new ideas that could be included in the All Hazards Plan.
A report was also given about the approval of the Borough Hazard Mitigation Plan and Grant program.

NEW BUSINESS **Sean Fielding Leaving Denali:** Sean Fielding has accepted an offer with the National Park Service in the Grand Canyon. He will be leaving in August.

Possible Creation of a Multi Agency Coordination Committee: During the Table Top Exercise the idea of creating a MACC comprising of members of the larger tour operators, utility services, and local businesses that would be involved in the management or the providing of resources during a large scale disaster was discussed. A number of different organizations have large resource capabilities and it is believed that having resource orders that require resources not readily available by the Emergency Services and the Borough channeled through the MACC may prove to be worthwhile.

New Members: With the loss of Sean Fielding, we will make an effort to recruit new members in the near future.

OTHER BUSINESS **Review of the All Hazards Plan:** We will continue to work on this throughout the summer.
