- REPORTS The LEPC Coordinator reported that at the Fall Preparedness Conference it was mentioned that the State may look at other projects that the LEPC could get involved with. He also reported that he has finished the State Preparedness Report and Logistical Gap Analysis.
- NEW BUSINESS **2011 Exercise Suggestions:** It was suggested that the next exercise that is held should revolve around our ability to initiate sheltering operations including transportation to and from shelters, Special Needs sheltering, and pet sheltering. The exercise should contain the initial notice of the need for shelter, the tracking of victims and caretakers of victims, and tracking of pets and service animals.
- All Hazards Plan Update:** We will continue to develop a sheltering plan for Special Needs and Pets. We will also continue to ensure that the emergency numbers listed in the plan are accurate.
- New Members:** There was discussion regarding specific local residents that we should ask to sit on the LEPC. These residents will fit into the categories of the vacant seats on the Committee. The LEPC Coordinator will attempt to contact these people and invite them to our next meeting.
- Logistics Assessments Capabilities Report:** The LEPC Coordinator completed the report for the State this month. In this report there are a number of issues that will need to be included in the All Hazards Plan. The LEPC Coordinator will make a detailed list of these issues to present at the next meeting.
- State Preparedness Report:** This report also has been completed and the information listed in the report also suggests a need to include some of it in the All Hazards Plan. The Coordinator will also make a list of topics to discuss at the next meeting.
