

**DENALI BOROUGH, ALASKA  
ORDINANCE NO. 19-08 Version B  
INTRODUCED BY: Mayor Clay Walker**

**AN ORDINANCE APPROPRIATING UP TO \$270,000 FROM THE LAND  
MANAGEMENT CAPITAL FUND FOR THE AERIAL IMAGERY AND  
COMMUNITY MAPPING PROJECT**

BE IT ENACTED by the Assembly of the Denali Borough, Alaska that:

**Section 1. Classification.** This ordinance is a non-code ordinance.

**Section 2. Background.** The Denali Borough Assembly passed Resolution 19-06 in February 2019, supporting a partnership with the State of Alaska Department of Commerce, Community, and Economic Development (DCCED) to prepare a Request for Proposal for a Community Mapping Aerial Imagery project.

The Denali Borough entered into an agreement with the DCCED on March 26, 2019 for the community mapping project grant (13-CMP-007), wherein the State and Borough agreed to equally share the project costs, expected to be under \$270,000. Because the Borough is the lead partner in this project, it is necessary to allocate the full project amount, while submitting for State reimbursement for half the costs under the aforementioned grant agreement.

**Section 2. Purpose.** The purpose of this ordinance is to appropriate up to \$270,000 from the Land Management Capital Fund, as the full cost of the aerial imagery and community profile mapping project. The imagery and mapping will include Cantwell, McKinley Park, Healy, Anderson, and other municipal lands within the Borough. The Borough will be reimbursed by the State for one half of the project costs.

**Section 3. Procedure.** The Denali Borough will manage the solicitation and mapping project, in partnership with the DCCED. The project will be completed in accordance with Denali Borough Code, titled "Procurement Procedures and Contracting Standards."

**Section 4. Effective Date.** This ordinance becomes effective upon adoption by the Denali Borough Assembly and signature of the Denali Borough Mayor.
