

**DENALI BOROUGH, ALAKSA
PLANNING COMMISSION**

RESOLUTION NO. PC 17-01

**A RESOLUTION BY THE DENALI BOROUGH PLANNING COMMISSION
RECOMMENDING MINIMUM ROAD AND EASEMENT STANDARDS.**

WHEREAS, the State of Alaska, Department of Natural Resources, recently transferred platted road and easement management to the Denali Borough; and

WHEREAS, the Denali Borough does not currently have any recommended road and easement standards; and

WHEREAS, the Denali Borough Land Planner has requested recommended road and easement standards from the Planning Commission to comply with the recently acquired land management responsibilities; and

WHEREAS, members of the public are currently asking for recommended road and easement standards in preparation for the summer construction season; and

THEREFORE, BE IT RESOLVED, the Denali Borough Planning Commission recommends the following standards:

Minimum Road Design Standards: Minimum right-of-way of 40', minimum traffic-way width of 16', minimum shoulder width of 0'.

Roads shall be constructed in a manner which prevents water from pooling on or running over the road.

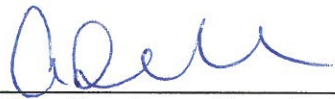

Any road constructed that will traverse Denali Borough property shall be dedicated as a public road.

Easements may be placed within any dedicated public road right-of way.

PASSED and APPROVED by the Denali borough Planning Commission this 16 day of May, 2017.
