## DENALI BOROUGH, ALASKA RESOLUTION NO. 19-21

### A RESOLUTION BY THE DENALI BOROUGH ASSEMBLY IDENTIFYING STATE OF ALASKA CAPITAL BUDGET REQUESTS FOR FISCAL YEAR 2021

**WHEREAS**, with financial assistance from the State of Alaska, the Denali Borough will be able to efficiently and effectively provide essential services and functions for residents and visitors; and

**WHEREAS**, in coordination with the Denali Borough School District and local non-profit emergency response organizations, the Denali Borough has identified projects which improve the safety, health, and resiliency of the community.

**THEREFORE BE IT RESOLVED**, the Denali Borough Assembly and Administration requests the State of Alaska favorably consider the following items for inclusion in the State of Alaska Fiscal Year 2021 Capital Budget:

\$40,000 – Tri-Valley Volunteer Fire Department Advance Life Support (ALS) Ambulance. To contribute toward the purchase a new ALS ambulance to replace a long-serving model which is past the end of its useful life. This Department responds to the majority of the Emergency Medical Services (EMS) calls in the borough, provides mutual aid to Denali National Park and Clear Air Force Station, and serves as the primary responding EMS unit for the visiting public.

\$40,000 – New Street Sign Project. To support the implementation of a new street addressing system, a critical component of emergency response, the Denali Borough requests a state contribution toward the purchase and installation of the posts and signs.

\$50,000 – Replace Tri-Valley School Backup Generator. Replacing this generator, which is over 40 years old, is a life and safety priority. This school serves as an emergency evacuation shelter for Healy and the surrounding area. The existing generator has proved unreliable.

PASSED AND APPROVED by the Denali Borough Assembly this 11 day of December, 2019.
