A RESOLUTION BY THE DENALI BOROUGH ASSEMBLY SUPPORTING A PARTNERSHIP WITH THE STATE OF ALASKA TO COMPLETE AN ARIAL IMAGERY AND COMMUNITY MAPPING PROJECT

WHEREAS, since 2002, 20 different partnerships have utilized this grant opportunity to map 199 different Alaskan communities; and

WHEREAS, the DCRA, in an October 2018 communication, informed the Denali Borough that mapping the Denali Borough is a priority area for the remaining grant, which is set to expire next year; and

WHEREAS, the Division has worked with the borough land planner to define a scope of work which includes mapping not only the more populated areas of the borough, but also the majority of the borough's municipal land entitlements; and

WHEREAS, the borough land planner and emergency planner both see value in acquiring these maps for land planning and development purposes and for emergency response purposes; and
